

IN THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Original) A method of creating an information summary, comprising the steps of:
 - (a) retrieving a plurality of terms descriptive of an upcoming event;
 - (b) creating a query based on the terms;
 - (c) querying a network of information utilizing the query; and
 - (d) updating the information associated with the upcoming event with information from the query.

2–19. (Cancelled)
